About Us

LACTIMA is a processed cheese producer from Poland. Our factory is based in Morag, in a Warmian - Masurian province, known as a thousand lakes area.

As the first Polish company ever to produce individually wrapped slices, since 1989 we managed to successfully develop our products range to meet our customer needs and cover all sales channels. Moreover slices, portions, spreads in cups, pouches and bars are available in many different tastes and formats. We also have cream cheese products, butter and margarine in small cups in our portfolio.

Every LACTIMA product is a great ingredient for your daily meal. You can prepare a toast with mozzarella slices or just eat your favourite portion as a snack. Visit lactima.com or our Facebook page to find more recipes.

Our company works according to quality management systems PN-EN ISO 9001:2015, PN-EN ISO 22000:2018, BRC GLOBAL STANDARD for FOOD SAFETY and Halal to emphasize highest quality of products. It is appreciated worldwide as LACTIMA brand reaches not only Europe but Middle East, Far East, Africa and both Americas.
